## **SAVED TO SERVE: Make A Difference**

Group study notes/life application (Eric Beaumont)

1. Is your life making a difference in God's terms?  
As a result of this what kind of welcome do you expect in heaven?
2. **Ephesians 2 v10.** You are '*God's workmanship*'.  
Do you see this as a limiting factor in your life?
3. What do you see as the '*good works which God prepared in advance*' for you in your life?
4. How could you discover if there are '*other acts of service not yet revealed to you*'?
5. **Psalm 51.** '*The sacrifices of God are a broken spirit and a contrite heart*'.  
How is God breaking you to make you a more profitable servant?
6. Do you feel you are serving God in your own strength or have you experienced what Paul writes in **Corinthians 12 v10**: '*When I am weak, then I am strong*'.
7. How far does God still want to use our own God given personalities, natures and gifting?
8. How do humility and transparency fit into being strong in our own weakness and God's strength?
9. Name the various areas in your own life in which you see God desires and even requires your service.  
How do you see your serving in those areas developing in the future?
