19th March 2017
Morning worship

Hello and welcome to Jubilee Church.
This morning we begin a brand new preaching series on the letters of I & II John. John had a profound and intimate relationship with Christ which is definitely reflected in his letters. Given the goal of our church to achieve greater intimacy with God during the coming year, John's letters are a great place to pursue this together.

However John in his unique and instinctive style (very different to the logical Pauline approach to writing) also looked at other key issues that were relevant in his generation. These involved combatting heresy, the importance of healthy relationships within the church and the ongoing battle against sin facing each and every believer.

All issues that remain as relevant and significant today as they were in John's time. John, the last of the apostles, left the stage with vital teaching ringing in the ears of the early church.

If you're visiting this morning we hope you have a good time with us, and if you want to know anything, please feel free to ask someone. We'd love you to stay and have a chat over tea or coffee at the end of the service; it's a very important part of who we are. May God bless you as you meet with us today.

EASTER AT JUBILEE www.jubileechurchshepperton.org/easter

14 April at 10am - Good Friday service, with some worship, readings and 'interviews from the foot of the cross'. Join us as we consider the story of Jesus' trial and crucifixion, and what it means to us.

Sunday 16 April at 10.30am - Easter Sunday service; our morning worship will have a real sense of celebration as we declare the resurrection of our Lord Jesus. Some of our young people have been working hard on preparing a drama for us, based on the traditional story of *The Three Trees* - we look forward to seeing it! Dave will be taking up the theme in his talk.

MACHINE GUN PREACHER - Thursday 18 May

A fascinating opportunity has arisen for us to invite Sam Childers to Jubilee Church on Thursday 18 May. Sam, otherwise known as the 'machine gun preacher' was saved out of a violent gang culture and called to set up an orphanage in Uganda. A popular film by the same name was released a few years ago, starring no less than Gerard Butler (*300*, *Olympus Has Fallen*, *The Bounty Hunter*) in the title role. Sam will share his story and the exciting work he is doing to rescue children from being 'child soldiers' in the private armies of despotic local warlords.

A really great opportunity – why not buy the movie on DVD and lend it to a friend, then invite the friend to hear Sam's life changing-story, and the good news of Jesus.

VISIT FROM ANDREW PALAU - Sunday 28 May

We are very excited that Andrew Palau will be coming to join us on Sunday 28 May for an evening service. What a huge privilege! Andrew, like his father is a very gifted evangelist and he will be preaching the gospel on that evening - so please think and pray about who could invite along.

BAGS OF FOOD

This ongoing project is intended as 'one-off' help for families or individuals in crisis, referred to us by our community partners. Please support *Bags of Food* by praying (for provisions, and for the recipients), and of course by donating food items - this week we're asking for:

****Tomato soup; as well as pasta sauce, meat-based protein, and desserts**** Thanks!

OUTLOOK/LOOKOUT: OPEN DOOR CHURCH GOES TO THE PHILIPPINES!

Today we welcome Andy & Army Hudson to tell us about it:

Rolando de Guzman is a Pastor in Cavite in the Philippines and is the brother of Army Hudson who is a member of Open Door Church Sunbury. He came to England to visit for three months in 2016 and had many chats with our Pastor, Andy Phillips.

He shared with Andy how they reach out to street children and how they visit two prisons weekly getting up at 2am in the morning to cook food for the inmates.

Rolando wanted to extend his work reaching out to the street children and also wanted to begin a ministry for the elderly. It was agreed that a group from Open Door Church would come out to the Philippines in November 2017 and help them to run a Kidz Klub for 300 street children! We will also help them begin a work with the elderly, and leadership training will be given too. We will join them going into the prisons and in door to door knocking inviting people to an evangelistic night.

Please pray:

- that preparations for the trip go smoothly
- the team are healthy in the Philippines and
- most importantly that we see people saved and healed and Rolando and his church in Cavite will grow and be blessed.
