Morning worship

Hello and welcome to Jubilee Church.

This Sunday we welcome John Nash from The Gideons International. As many will know, the Gideons are responsible for placing bibles in hotels, schools and hospitals around the world. John will be telling us more about how the Gideons are at work more locally. gideons.org

John also has a powerful prophetic gift which I had the privilege of observing at a men's discipleship group several months ago. He therefore slots into our *Holy Spirit: Person, Presence, Power* series rather nicely.

Let's continue to make room for our closest Companion to shape, encourage, direct and equip us for the glory of Christ Jesus. Let's be expectant for the unexpected.

If you're visiting today we hope you have a good time with us, and if you'd like to know anything, please feel free to ask someone. We'd love you to stay and have a chat over tea or coffee at the end of the service; it's a very important part of who we are. May God bless you as you meet with us today.

Lead Elder**

COME AND PRAY - Tomorrow, 8pm

Monday evening, 8-9pm at Mike & Nicola's. Please ask if you need the address. An hour of concentrated praying for our church (people, gateways, the vision), our neighbourhood and beyond. The next meetings are Tuesday 22 October at the Jubilee Centre and Mondays 28 October and 4, 11 & 18 November at Mike & Nicola's.

BARN DANCE - 19 October, 7pm jubileechurchshepperton.org/barndance

Dig out those chequered shirts and boots and join us for the Jubilee Church Barn Dance this Saturday 19 October. The fantastic Bowreed band and caller who were so good last year will be back to lead the evening. Entry price will include a meal, with a veggie option - please let us know of any dietary requirements beforehand; a cash bar will run throughout the evening.

It's a family event, with all ages most welcome - although we suggest it's most suitable for KS2 upwards. Adults £10 / concessions £5. Preferably book with cash today please - see Emma Cowles or Judi Creasey. Or book online at jubileechurchshepperton.org/barndance. Make sure you do-si-don't miss it!

NERF PARTY - Thursday 31 October jubileechurchshepperton.org/nerf

The children and youth are having a Nerf party! A great alternative to trick or treating and a brilliant event to invite people to on that day. For children in school Years 2-6 the action will begin at 5pm-6.30pm. For the older kids in Years 7-11 have your weapons primed and ready at 7pm-9pm.

Party food, guns and ammo will be provided but if you have your own nerf bring it with you (no automatics please). Let us know if you're coming - tell Jo Jones or email info@jubileechurchshepperton.org. Let battle commence!

BLYTHSWOOD CHRISTMAS SHOEBOXES blythswood.org/shoobox

In partnership with Blythswood Care we will be sending Christmas shoe boxes filled with small gifts and treats to those in need in Eastern European countries. If you would like to join in this project and bless someone by filling a box we have empty boxes and leaflets available - please ask. Please bring your filled shoe boxes back on **Sunday 3 November** (but not before please due to lack of space).

JUBILEE CHURCH FAMILY MEETING - Thursday 7 November, 8pm

On 7 November we are planning a family meeting, which will give us a chance to share, reflect and discuss important developments in the life of the church family. These are topics that need weightier explanation than is usually available on a Sunday morning. This will be an important meeting, so can I encourage all regular church attenders and members to join us. DWP

QUIZ NIGHT - Friday 22 November, 7.30pm jubileechurchshepperton.org/quiz

It's nearly time to get those thinking caps on as the Jubilee Church quiz night returns. This year, Simons Bagg and Wells will be our Quiz Masters, and we suspect they'll have us scratching our heads!

Teams of up to 10 people; come as a team or make one up on the night. £2 per person. A great social event to bring your friends to. Bring your own drinks and snacks. Tea, coffee and doughnuts will be provided in the break. Simon says... "Start inviting!"

BAGS OF LIGHT for Halloween

There are many thoughts on how Christians can deal with Halloween, and we would not want to argue about it! But perhaps we could think of 'trick or treating' in a different way: what if we were to welcome people to our door on this particular evening and not only hand them the sugar they have asked for but also use this opportunity to spread the good news that Jesus is the light in this dark world.

Why not pick up a few of our 'Bags of Light' which include a special tract especially made for children, invitations to our upcoming events and a card with our church details letting them know we are here for them. These will be available at church on Sundays in October.

What we would ask you to do is to pray as you put a few (wrapped) sweets in each bag which you can hand out on the night to anyone who knocks on your door; you will be sowing seeds into the lives of the young people and even their parents/carers.

This idea is just a suggestion - we certainly would not want to pressure you into something you don't feel comfortable or safe with, and would urge you to do what's right for you. Why not pray about this, and chat with others about it while deciding.

If you don't want trick or treaters to knock, it's a good idea to leave your door unlit, or perhaps leave a polite sign there - feel free to ask us for one, or there are many around from Surrey Police or Neighbourhood Watch.

If you would welcome a visit, then perhaps leave a light on or decorate your doorway - maybe carve out a pumpkin with a simple Christian design like a cross, and put a nightlight inside. Or maybe you could display a poster with a picture of one - we'll have some you could take to use. God bless you whatever you decide!

ATTENTION - RUBBISH NEWS!

Please can we ask you to take care if you put anything into our bins. A recent misplaced item into the recycling bin led to it not being collected, and since this is not the first time, we are now under warning by Spelthorne. It would cause us huge problems if we were to have the rubbish collection service withdrawn, so please can we all take particular care about getting the right item into the right bin! Thanks!
