

# Exiles Homeward Bound

I will bring them back and restore them to this place. Jeremiah 27:22

jubileechurch

## Key Principles

Ensure that those who identify as belonging to the church, whether virtually or physically, can join with us to worship God and grow in faith together.

Safeguard the health, safety and wellbeing of all those who are leading and attending church activities. Ensure measures are put in place to make the church building a safe environment to facilitate the variety of church activities.

Relaunch broader church activities in a safe way, with a suitable time frame.

To ensure adherence to government guidelines and not bring the church into disrepute.

# Phased Return

We will be following a phased return to church life that will be flexible to changing government advice. A phased return also provides the opportunity to not only scale up but scale back if we re-enter a period of lockdown nationally or locally.

We have a plan and principles that we are going to follow. These will be reviewed on an ongoing basis.

We have a vision to continue to provide the virtual/online opportunity both for people in the local community to hear the message of hope and love that we experience through Jesus, as well as for those who are unable to join in person due to various restrictions.

Therefore, we will be launching a 'live stream' of our Sunday morning service, the current online services will continue until then.

We will look to relaunch group activities in a managed way with good partnership from group leaders.

Please be patient with us as the journey is likely to be longer than any of us desire but we will get there together.
